GracePOINTE

Assisted Living | Memory Care Suites

by  TABITHA

GracePointe offers a maintenance-free lifestyle, around-the-clock personal care, enriching activities focused on health and wellness, and leading-edge technology.

Suites are designed to mirror your home environment, with all the familiar comforts.

ENJOY:

- Daily chef-inspired meals
- Community dining rooms
- Physical, social, creative and spiritual activities
- Outdoor patios and walking paths
- In-house beauty salon and barbershop
- Weekly light housekeeping, laundry and linen changes
- 24-hour staffing
- Transportation to local medical visits

In addition to standard assisted living services, GracePointe offers a full range of personalized services to assist with the activities of daily living:

- Escorting to/from meals, activities and events
- Dressing assistance as needed
- TED hose assistance
- Grooming assistance as needed
- Bathroom (toileting) assistance as needed
- Bath or shower assistance up to two times weekly
- Simple medication management and administration
- Daily diabetic management
